

# Business Review 2006

Clients rave about the “absolutely marvellous” Halliwells, unable to “speak highly enough of them!”

Chambers and Partners: 2006

The firm is enjoying the most progressive period in its history. And we have no intention of standing still.

Our expansion, which continues apace, is driven by an ongoing investment in our clients, our people, our premises and our technology.

Haliwells – a modern, forward-thinking law firm able to meet the requirements of any business.

For further details on how one of the UK's most progressive law firms can add value to your business, contact Suzanne Liversidge, Sheffield Office Partner on 0114 229 8008
