## Exciting year in store for Hilton

**W**ith Christmas over for another year Hilton Sheffield, in its ninth year, was proud to host a successful series of festive party nights. Now that the New Year is finally here we can concentrate once again on another aspect of our service - Conferences and Weddings.

Hilton Sheffield boasts 9 modern recently refurbished conferences rooms, all of which have natural daylight and air conditioning. Every event that we host here at the Hilton Sheffield is unique and that is why we can offer our guests a totally flexible and creative service.

There have been many external changes to the Hilton Group including Hilton Hotels Corporation (HCC) having recently received an offer from Hilton International Hotels for the sale of Hilton International

to HHC. Under the terms of the deal, Hilton International, including LivingWell and Scandic, will become part of HHC. Over the past eight years Hilton International has developed a strong relationship with HHC, building on the strength of our shared brand, which has grown in stature over the past 40 years. We are very proud of the role we have played in making it one of the world's leading brands.

As the new General Manager here at the Hilton Sheffield, I am delighted to see many changes within the Hilton Sheffield.

We have recently undergone an extensive refurbishment of

our main bar, lounge area and function rooms. To compliment this, after much research (including customer feedback) and discussion with our Head Chef and Operations Team, we have introduced new menus in our bar and restaurant. We are also in the process of refurbishing all of our 128 bedrooms, including the addition of a new sprinkler system.

Our team here are keen to be involved in our community. In particular, as part of the Hilton Foundation charity, we are working closely with Whirlow Hall Farm and have recently presented them with a cheque for £5000 to help their educational centre develop its 'Living History' classroom.

For the Hilton and Sheffield it promises to be an exciting year. Both the city and hotel are undergoing considerable investment. We look forward to continuing to serve the needs of the Sheffield business community.

Delighted with changes: Tom Waldron-Lynch, General Manager of the Hilton, Sheffield
